

SEWC MEMBERSHIP APPLICATION PROCESS

The process in which a non-member city or agency can join Southeast Water Coalition (SEWC) as a member city is a four-part process. First, the non-member city or agency submits a request to join as a full-voting member, in writing signed by its Governing Board Mayor/Chair or City Manager/General Manager. The second step is for the Administrative Entity (AE) to make a recommendation to the SEWC Governing Board (“SEWC Board”) regarding the request and presenting it to the SEWC Board for consideration. The SEWC Board then considers the AE’s recommendation and votes to approve or not approve the request to join. If approved, the last step in the process is for SEWC Staff to send the JPA Agreement along with a copy of the most recent, adopted strategic plan to ensure alignment and set expectations. Membership is official once the signed JPA Agreement is returned to SEWC. Depending on the time of year for beginning the official membership, the amount of dues for that year will be considered on a case-by-case basis.
